Set-wise Answer Key for NDA 2 2026

The NDA question paper is provided in different sets, and candidates should refer to the answer key corresponding to the set they attempted in the examination. Major Kalshi Classes will provide solutions for **Set A, Set B, Set C and Set D**, making it easier for aspirants to cross-check their responses.

Candidates should carefully verify their question paper set before calculating their expected marks, as the sequence of questions and answers may differ between sets.

Mathematics Answer Key and Solutions

Mathematics is an important part of the NDA written examination. The Mathematics answer key will help candidates identify their correct and incorrect responses and review the questions they found challenging.

Along with checking answers, candidates can use the solutions to understand the appropriate method for solving questions and identify conceptual or calculation mistakes made during the examination.

GAT Answer Key and Solutions

The GAT paper covers various areas, including English and General Knowledge. Reviewing the GAT answers after the examination can help candidates assess their performance across different sections.

The solutions can also help aspirants identify topics where they performed well and areas that may require additional preparation.

Estimate Your Expected Score

Once the answer key is available, candidates can compare their marked responses with the provided solutions and calculate their probable score according to the applicable [NDA marking scheme](#). This can give them an early indication of their performance before the official result is announced.

However, candidates should remember that the Major Kalshi Classes answer key will be an **unofficial reference resource**. The official evaluation and final result will be determined by UPSC.

Major Kalshi Classes NDA 2 2026 Answer Key

[Major Kalshi Classes](#) will make the answer key available **immediately after the NDA 2 2026 examination on 13 September 2026**. Candidates can use the set-wise Mathematics and GAT solutions to analyse their attempts, identify mistakes, and estimate their expected marks.

Aspirants should stay updated with Major Kalshi Classes for the latest NDA 2 answer key 2026 and examination-related updates.
